Inc.

“At this crucial time when the world is looking so closely at renewable energy and Canada is forming a plan for its commitments towards climate change, we are pleased to have so many able representatives to help set the course for the industry to prosper,” said **David Eisenbud, CanSIA Chair**.

“CanSIA is blessed with a wealth of experience in its board members. These volunteers are the key to the successful positioning of the Canadian solar industry in what is certain to be critical year both in our country and around the world,” said **Elizabeth McDonald, CanSIA President**.

The Canadian Solar Industries Association’s mission is to develop a strong, efficient, ethical and professional Canadian solar industry, able to service an expanding domestic energy market, to provide innovative solar solutions to world energy problems, and to play a major role in promoting the transition to a solar energy future worldwide.
