

JONATHAN WEISZ

Practice

Jonathan Weisz is the head of Torys' Project Finance Practice Group and Chair of the firm's Finance Committee. His practice focuses on project finance, project development and secured lending. Jonathan has advised on many transactions, in particular in the energy, infrastructure and mining industries. In addition to his legal practice with Torys, Jonathan worked in Latin America, having spent one year on secondment at a law firm in Sao Paulo, Brazil. He also served as the Director of Project Development for Westcoast Energy International in Latin America from September 1996 until September 1998.
