

Walter Buzzelli

Managing Director

Panasonic Eco Solutions Canada

Walter Buzzelli is the Managing Director at Panasonic Eco Solutions Canada and he has been with the company since January 2000. The company is a leader in deploying solar PV systems and energy storage solutions in Canada.

Walter brings extensive management experience to his role as Managing Director that he assumed in April 2012 and he oversees the company's sales, marketing and operational activities in Canada. He has been involved in Panasonic's Canadian solar business operations since 2005 and he continues to grow the company's solar and energy storage business portfolio in Canada. Prior to his current role, Walter was the Senior VP of Finance and Administration where he was responsible for the company's financial and operational business activities. Walter also has extensive manufacturing business experience that he acquired with organizations prior to joining Panasonic.

By profession, Walter is a Certified Professional Accountant (CPA) and he also possesses a Bachelor of Commerce Degree from Ryerson University.

When away from work, Walter's passions include travel, fiddling in auto mechanics and in recent years, he has taken up motorcycling with his collection of Ducati bikes. Walter always enjoys spending a great deal of time with family whenever possible.
